## Introduction

Loch Ness Shores campsite nestles on the southern shore of Loch Ness, in the heart of the Scottish Highlands. It is in the tranquil village of Foyers, 20 miles from the Highland capital of Inverness. A stunning campsite that offers breath-taking scenery right on the banks of Loch Ness. Return to nature with panoramic views of the loch and the mountains beyond, with a backdrop of woodlands, forestry and the most spectacular flora and fauna.

One of only a few places with easy access to the shore around Loch Ness, this site provides an opportunity to canoe, kayak or launch small boats, fish for trout and salmon or if prefer hire a boat and gillie locally. The Great Glen Canoe Trail passes the site, which provides rest for canoeist and kayaks to stay overnight, get a hot shower and stock up on provisions.

The 120-pitch site is offers a mixture of fully serviced, hardstanding, grass with electric and grass only pitches. The site also benefits from having Camping Pods suitable for sleeping up to 5 people. The site is across two levels with the Reception, Shop, Cafe, Laundry and Facilities Block at level one. If you have any difficulty walking, we recommend that you request a pitch on the lower level.

Mobile signal is mixed with Vodafone and O2 being very poor. BT, 3 and EE are the preferred network.

Television signal is good.

No site WiFi.

## Your Arrival on Site

The earliest arrival time on site is strictly 2pm.

Approach surface is tarmac. The Site is off the B852 which is a single-track road with many passing places. If you are using a SatNav to reach us, please be aware that it may try to direct you onto roads that are not suitable for your vehicle. The best way to find us is using a road map and our directions. Please use passing places to allow other traffic to overtake when approaching the site by vehicle. As a courtesy to other road users, 2 hours has been allowed between departures and arrivals. Please do not approach the site before 2 p.m.

Arrival surface is gravel.

# UK Club Sites Access Statement

There is an automatic barrier with keypad number code. Visitor parking is available in the lower carpark.

There is no designated accessible parking.

There is a bus stop 100m from site, buses run Monday to Saturday towards Inverness only. At Inverness bus station there are buses to other destinations.

There is a railway station at Inverness, 20 miles from site.

Accessible taxis can be booked in advance on 01463 800069 (Inverness Taxi Service).

The earliest arrival time on site is strictly 2pm.

## Your Check In

The Reception and Shop is the building on the right as you drive in and just ahead of the barrier.

The Reception is clearly signed.

Access to Reception and Shop is level.

There is a double doorway with a shallow ridge at the bottom and the doors open outward. The floor space is free from clutter and there is turning room for wheelchairs.

Reception and Shop opening times will be displayed on the door.

The latest assisted pitching is 8pm. Campers may self-pitch after this time up until 11pm - instructions for this are on the outside of the Reception building.

Staff are not on duty after 8.00 pm but an emergency telephone number is provided for blue light emergencies after this time. This phone number can be found printed on your Site Welcome Leaflet.

Details of local hospitals, doctors, dentists and vets can be found in the Reception, outside the Facilities Block and in the Site Welcome Leaflet.

## Your Pitch

The Fully Serviced pitches are gravel with a wooden border indicating your allocated area. They are located on the upper level with the exception of 2 which are available to book direct with the site. The 2 on the lower level have easy access to the Facilities Block.

The Hardstanding pitches are gravel with a wooden border indicating your allocated area. These are on the upper and lower level.

Grass with Electric pitches are either marked with a wooden frame or painted markings. With the exception of 4 pitches these are all located on the upper level. There are two sloping small grass with electric pitches where chocks are required.

Grass pitches without electric are located at the top of the site. Backpackers have a dedicated area on the lower level.

Campers can park on their pitch. There is a limit of 1 car per pitch.

Each electric bollard has a tap on the back of it.
